Early Registration Fee Deadline	June 15, 2010
Notification of Acceptance of Abstracts	July 1, 2010
Regular Registration Fee Deadline	October 1, 2010

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

President's Welcome Address

With this second announcement, on behalf of the Organising Committee, it is my great pleasure to invite you to the forthcoming meeting of the ESID, INGID and IPOPI that will be held in İstanbul, from October 6 to 9, 2010.

The ESID Board has worked out an outstanding scientific program covering the most recent developments in the field of Primary Immunodeficiency Diseases. The ESID program consists of 17 conferences, 2 keynote lectures, 3 parallel workshops, 37 oral presentations, 7 dinner working parties, 1 late breakers session, 11 workshop education groups, 2 plenary education sessions, 9 sunrise education sessions and 6 satellite symposiums.

INGID has two educational sessions on day one and at least four scientific sessions each day. The INGID 2010 Meeting will focus on the challenges of nursing patients with primary immunodeficiencies in the new century. In IPOPI 2010 Meeting, there are so many sessions that will help to improve access to early diagnosis and optimal treatment and care for PID patients.

We invite you to use this opportunity to present your original works and exchange your experiences in this field. The top ranking abstracts will be presented orally. You may find all relevant information and instructions for electronic submission at the congress website www.esid2010.org.

The exciting city of İstanbul is expecting you to show you not only its science, but also the treasures of its museums and monuments. İstanbul is the European Capital of Culture at 2010 and it is a perfect place to experience four enriching and enjoyable days with this congress.

We look forward to welcoming you at the İstanbul Exhibition and Convention Center in October, 2010.

Prof. Dr. Necil Kutukculer
Congress President

octapharma

For the safe and optimal use of human proteins

GRIFOLS

Octapharma – Committed to patient benefits, research and development

Since its foundation in 1983, Octapharma has earned the trust of customers and partners by continuously developing safe and effective biopharmaceuticals.

Octapharma research is focused exclusively on the development of human proteins, differentiating them from the rest of the plasma fractionation industry. For 26 years Octapharma has built up a trusted scientific heritage that is uniquely committed to this therapeutic area.

The most recent market introduction from Octapharma, octagam® 10%, is a new

polyvalent immunoglobulin for intravenous applications. In an ongoing study of 116 patients, octagam® 10% has been successfully tolerated at high doses administered at high infusion rates of 0.12 mL/kg/min without premedication to alleviate potential adverse events.

For more information on the Octapharma range of immunotherapy products, visit our booth at the ESID Congress 2010.

My decision for a lifetime:

Immunoglobulins

Baxter can accompany your immunodeficient patients throughout their lives, by offering them over 70 years of experience, competence and innovation.

We offer a comprehensive portfolio of Ig products for all treatment settings. Therefore, we give your patients the security of a committed and reliable partner.

Eileen, 35, immunodeficient patient.

A decision for a lifetime.

Baxter

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

6 OCTOBER, WEDNESDAY 2010

	Hall 1 Auditorium	Hall 2 Marmara	Hall 3 Topkapı	Hall 4 Dolmabahçe - A	Hall 5 Dolmabahçe - B
09:00 - 10:30	WORKSHOP EDUCATION GROUP 1 (max 30 person)	WORKSHOP EDUCATION GROUP 2 (max 30 person)	WORKSHOP EDUCATION GROUP 3 (max 30 person)	WORKSHOP EDUCATION GROUP 4 (max 30 person)	WORKSHOP EDUCATION GROUP 5 (max 30 person)
10:30 - 11:00	COFFEE BREAK

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

ESID

Wednesday, October 6, 2010

09.00-10.30	Hall 1	Workshop Education	Group 1	HLH causes, diagnosis & treatment	Alain Fischer & Jan-Inge Henter
09.00-10.30	Hall 2	Workshop Education	Group 2	Molecular diagnostics in PID: uses & abuses	Naomi Taylor & Kimberly Gilmour
09.00-10.30	Hall 3	Workshop Education	Group 3	Chronic mucocutaneous candidiasis - without AIRE defect; role of innate immunity	Desa Lilic & Anne Puel
09.00-10.30	Hall 4	Workshop Education	Group 4	Management of patients with antibody deficiency	Helen Chapel & Gavin Spickett
09.00-10.30	Hall 5	Workshop Education	Group 5	Hyper IgE syndromes: new understandings; implications for treatment	Bodo Grimbacher & Yoshi Minegishi
10.30-11.00	COFFEE BREAK				
11.00-12.30	Hall 1	Workshop Education	Group 6	IPEX & IPEX-like disorders: clinical features; how to treat	Eleonora Gambineri & Mary Slatter
11.00-12.30	Hall 2	Workshop Education	Group 7	The use of specific antimicrobial antibodies in the diagnosis of antibody deficiency	Isl Barlan & David Edgar
11.00-12.30	Hall 3	Workshop Education	Group 8	Thymic disorders & their treatment	Georg Hollaender & Graham Davies
11.00-12.30	Hall 4	Workshop Education	Group 9	Management of CGD & results from HSCT	Reinhard Seger & Terry Flood
11.00-12.30	Hall 5	Workshop Education	Group 10	Wiskott Aldrich Syndrome / XLT; how do we treat?	Luigi Notarangelo & Hans Ochs
11.00-12.30	Hall 6	Workshop Education	Group 11	Complement disorders: understanding old & new	Michael Kirschfink & Helen Chapel
12.30-13.30	LUNCH				
13.30-15.00	Hall 1	Plenary Education	Session 1	HSCT for PID: why & when?	Andrew Cant
				Susceptibility to viral infections: new insights	Jean-Laurent Casanova
15.00-15.30	COFFEE BREAK				
15.30-17.00	Hall 1	Plenary Education	Session 2	Overview of neutrophil disorders: SCN, LAD, Schwachman Diamond etc	Christoph Klein
				Disorders of DNA repair: recognition, treatment & outcome, including DNAPK	Andy Gennery
17.15-18.00	Hall 1	ESID, INGRID, IPOPI Opening session and the triumphs of past two years for ESID, INGRID, IPOPI			
18.00-18.45	Hall 1	Opening Keynote lecture			
		Chairman: Amos Etzioni			
				How did our complex immune system evolve ?	Max Cooper
18.45-19.45	SOCIAL EVENT				
20.00-23.00	WELCOME RECEPTION				

Thursday, October 7, 2010

08.00-09.00	Hall 1 Sunrise Education Session 1 New insights into hereditary angio-oedema	Marco Cicardi & Hilary Longhurst
08.00-09.00	Hall 2 Sunrise Education Session 2 Diagnosis of PID by flow cytometry	Jacques van Dongen
08.00-09.00	Hall 3 Sunrise Education Session 3 Understanding B cell disorders	Mary Ellen Conley
09.00-10.30	Hall 1 Plenary Session I Chairs: Alain Fischer, Yıldız Camcıoğlu, New SCID defects: Coronin 1A Calcium Channel Defects Reticular dysgenesis Two Oral presentations	Jennifer Puck Stefen Feske Klaus Schwartz
10.30-11.00	COFFEE BREAK and POSTER VIEWING	
11.00-12.30	Hall 1 Plenary Session II Chairs: Bobby Gaspar, İlhan Tezcan Gene Therapy for PID: Current status and future prospects Homologous recombination-mediated gene therapy for the PIDs. IPS cells and PIDs Two Oral presentations	Adrian Thrasher Matthew Porteus Luigi Notarangelo
12.30-13.30	LUNCH and POSTER VIEWING	
13.30-14.30	Hall 1 Satellite Symposium 1 Baxter	
13.30-14.30	Hall 2 Satellite Symposium 2	
13.30-14.30	Hall 3 Satellite Symposium 3 Grifols	
14.30-16.00	Hall 1 Plenary Session III Chairs: Jean-laurent Casanova, Şebnem Kılıç Interferon-opaties: Genetic Disorders of type I Interferon metabolism Inborn errors of Interferon Immunity and susceptibility to virus infections Two oral presentations	Yannick J Crow Shen Ying Zhang
16.00-16.30	COFFEE BREAK and POSTER VIEWING	
16.30-18.00	Hall 1 Paralel Workshop I PID Awareness and Networking	Laszlo Marodi, Aydan İkinçioğulları
16.30-18.00	Hall 2 Paralel Workshop II High screening methods - EUROGENEscan, SCID-TRECscreening, etc..	Edvard Smith Jennifer Puck
16.30-18.00	Hall 3 Paralel Workshop III New advances in HSCT	Bobby Gaspar, Alain Fischer
18.30-20.00	Dinner workshop for ESID working party 1- ESID Juniors WP Dinner workshop for ESID working party 2: Genetics WP Dinner workshop for ESID working party 3: Registry WP Dinner workshop for ESID working party 4: Education WP Dinner workshop for ESID working party 5: Clinical WP Dinner workshop for ESID working party 6: BMT/gene therapy WP Dinner workshop for ESID working party 7: PID care in development	

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

ESID

Friday, October 8, 2010

08.00-9.00	Hall 1 Sunrise Education Session 4 Immunotherapy with viral specific CTLs	Bobby Gaspar
08.00-9.00	Hall 2 Sunrise Education Session 5 Leucocyte adhesion deficiency: clinical & laboratory features	Amos Etzioni
08.00-9.00	Hall 3 Sunrise Education Session 6 The ESID registry: what we have learnt, what next	Gerhard Kindle & Bodo Grimbacher
09.00-10.30	Hall 1 Plenary Session IV Chairs: Bodo Grimbacher, Necil Kutukculer CVID- from common and variable to distinct subgroups of hypogammaglobulinemia	Klaus Warnatz
	TAC1 signalling and the induction of Immunoglobulin class-switching	Andrea Cerutti
	Two Oral presentations	
10.30-11.00	COFFEE BREAK and POSTER VIEWING	
11.00-12.30	Hall 1 Plenary Session V Chairs: Eleonora Gambineri Günnur Deniz Induction of the Th17 responses to fungal infection	Caetano Reis e Souza
	IL-17 and T regs connection	Alexander Rudensky
	Two Oral presentations	
12.30-13.30	LUNCH and POSTER VIEWING	
13.30-14.30	Hall 1 Satellite Symposium 4 Octapharma	
13.30-14.30	Hall 2 Satellite Symposium 5 CSL Behring	
13.30-14.30	Hall 3 Satellite Symposium 6	
14.30-16.00	Hall 1 Plenary Session VI Chairs: Naomi Taylor, Olcay Yeğin Disease related to defective IFN-gamma production (MSMD)	Laurent Abel
	Treating HLH by blocking IFN-gamma	Alain Fischer
	Two oral presentations	
16.00-17.45	Hall 1 Oral Presentations I	Chairs: Crina Samarghitean, Guzide Aksu
16.00-17.45	Hall 2 Oral Presentations II	Chairs: Esther de Vries, Figen Doğu
16.00-17.45	Hall 3 Oral Presentations III	Chairs: Laszlo Marodi, İsmail Reisli
18.00-22.00	DINNER CRUISE ON BOSPHORUS	

Saturday, October 9, 2010

08.00-09.00	Hall 1 Sunrise Education Session 7 T lymphocyte development in the thymus	Naomi Taylor, Batu Erman
08.00-09.00	Hall 2 Sunrise Education Session 8 The laboratory diagnosis of defects of the type-1 cytokine system & innate immunity (NEMO, IRAK4, etc)	Capucine Picard
08.00-09.00	Hall 3 Sunrise Education Session 9 The laboratory approach to the differential diagnosis of Hyper IgM syndromes	Anne Durandy
09.00-10.30	Hall 1 Plenary Session VII Chairs: Luigi Notarangelo, Aydan İkinçioğulları Immune dysregulation	Mark S Anderson
	IPEX and IPEX-like syndromes	Maria Grazia Roncarolo
	Two Oral presentations	
10.30-11.00	COFFEE BREAK and POSTER VIEWING	
11.00-12.30	Hall 1 Plenary Session VIII Chairs: T Chatila , Işıl Barlan The autosomal recessive forms of HyperIgE syndrome (DOCK8)	Bodo Grimbacher
	HIES and STAT3	Yoshi Minegishi
	Two Oral presentations	
12.30-13.30	LUNCH and POSTER VIEWING	
13.30-14.30	Hall 1 Late Breakers	
14.30-15.30	Hall 1 Keynote Closing Lecture Chair: Özden Sanal	
	Crohn's is an immunodeficiency disease of macrophages	Tony Segal
15.30-16.00	Hall 1 Closing Ceremony of ESID,INGID, IPOPI	
16.00-17.30	Hall 1 ESID General Assembly	
19.30-23.00	GALA DINNER

XIth Meeting of the International Patient Organization for Primary Immunodeficiencies (IPOPI)

IPOPI

Wednesday, October 6, 2010

Hall 5, Dolmabahçe - B

12.30-13.30	Lunch	
13.30-14.20	Welcome to IPOPI biennial 2010: José Drabwell (Chair) Welcome to Turkey: Murat Gulersen (Turkish representative)	
	Luciano Vassalli award: Sven Fandrup (Vice chair)	
	Remembrance ceremony: Stephen Baxter, David Watters (ED)	
14.20-14.40	Small break	
14.40-15.30	Presentations from - France (L'IRIS) - Mexico (or another new NMO)	Chair
15.30-16.00	Coffee/tea break	
16.00-17.15	Panel discussion: Transition from paediatric to adult treatment.	Sven Fandrup
17.15-18.00	Joint opening session ESID, INGID, IPOPI	
18.00-18.45	Keynote lecture "How did our complex immune system evolve?"	Max Cooper
18.45-19.45	Social event	
20.00-23.00	Welcome reception	

Thursday, October 7, 2010

Hall 5, Dolmabahçe - B

09.00-10.30	IPOPI AGM and elections	Chair, ED
10.30-11.00	Tea/coffee Break	
11.00-11.45	Cord blood - the future possibility for cure?	Anders Fasth, Teresa Espanol
11.45-12.30	Hereditary angeo oedema (HAE)	Hilary Longhurs, Teresa Espanol
12.30-13.30	Lunch	
13.30-15.00	Break out session Lead in on: "What does early diagnosis and optimal treatment mean in a developing country?"	Monica Esser, Surjit Singh, Joy Rosario
15.00-15.30	Discussion and reporting back on subject above	
15.30-16.00	Coffee/tea Break	
16.00-16.45	What are the risks of vaccinations for PID patients? Will anti flu vaccinations be recommendable for primary immunodeficiencies?	Andrew Cant
	Joint session with INGID	Marcia Boyle
16.45-17.30	Highlight from the day's ESID conference	Chair MAP
Evening	IPOPI/Baxter dinner	

Friday, October 8, 2010

Hall 5, Dotmabahçe - B

09.00- 09.45	A Progressive treatment proposal, when you have no or limited access to immunoglobulin. Prof. Albert Ferrugia, Senior Director, PPTA	Marcia Boyle
09.45-10.30	What kind of treatments is available in treating PID patients? Which can be done at home and which will have to be done in hospital? Nurse from INGID Joint session with INGID	Stephen Baxter
10.30-11.00	Tea/coffee Break	
11.00-12.00	Split discussion session: 1. What has been the outcome, results, experiences from regional meetings (Latin America, J Project-meetings etc.). Participants in this kind of meetings.	Roberta Pena, Dragana Koruga
	2. How to develop a "Twinning Project". Participants would be NMOs with interest in the subject.	David Watters, Martine Pergent
12.00-12.30	Reporting back from discussions	
12.30-13.30	Lunch

At CSL Behring, we are committed to saving lives and improving the quality of life for people with rare and serious diseases worldwide. Through our continued focus on innovation, we are leaders in the development of new and enhanced plasma-derived biotherapies. Our 100-year heritage of quality and safety makes us a reliable supplier offering the industry's most robust product portfolio. We are dedicated to delivering "Biotherapies for Life."

Biotherapies for Life™

CSL Behring

Shaping the future since 1940

Grifols is a company built upon an impressive record of scientific contribution in the related fields of plasma therapy, blood transfusion, blood banking and clinical analysis.

Over the years this foundation has been strengthened by an unwavering commitment to the research and development of safer and more effective therapies and processing methods. The Bioscience Division specializes in high quality plasma derivatives with outstanding records of safety and efficacy.

Our commitment in primary immunodeficiencies is to maintain the confidence of immunologists, nurses and patients. Their needs inspire all that we do.

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

ABSTRACT SUBMISSION

- Abstracts may be submitted only via online submission module. (www.esid2010.org)
- The abstracts submitted via mail and via fax will not be considered.
- The deadline for the abstract submission is **June 1st, 2010**.
- Abstract authors should select the abstract category which best fits their abstract for ESID Meeting. The Scientific committee reserves the right to change the abstract category if they see necessary. The categories have been divided into the following 10 tracks by ESID organizing committee. The tracks for INGRID and IPOPI are listed also below.

A T-Cell and combined immunodeficiency

B B-Cell immunodeficiency

C Deficiencies of innate immunity (Phagocytic cells)

D Deficiencies of innate immunity (Complement and TLR's)

E NK Cells; NKT cells, Tregs and Th17 cells in immune regulation

F Stem cell transplantation/gene therapy

G Immunoglobulin and cytokine therapy

H Genetics/Genetic counseling/Genetic predisposition to infection and autoimmunity

J Quality of life, long term management in PID and PID registries

K Animal models and Basic Immunology

L INGRID Abstracts

M IPOPI Abstracts

- Abstracts may be accepted into one of the three categories; oral, poster or abstract-only. Authors should indicate their presentation preference.
- The Final evaluation will be made by the Scientific Committees and boards. The authors will be informed about the type of their presentation by **July 1st 2010**. Submissions allocated abstract-only will be printed in the Congress' Abstract Book but cannot be displayed as a poster.
- Abstracts should be prepared in English.
- Title should be short, explanatory and not more than 20 words.
- Authors' names, surnames, institutes, addresses, telephone numbers and e-mail addresses should be mentioned on the "Authors' Part".
- Presenter's name, surname and abstract title should be mentioned in bold.
- Abstract text may not be longer than 350 characters, should be prepared in Office 2000 or an upper software version, (12 size), Times New Roman character. Tables can be inserted.
- Oral abstracts' presentation time is 10 minutes.
- Oral abstracts should be presented by using audiovisual aids, computers or video players.
- Posters should be in 70 cm width and 90 cm height. The abstracts should be prepared in size that should be read from one meter distance.
- Posters shall be displayed during entire meeting.
- All posters should carry a contact e-mail.

Notification of Acceptance or Rejection

Notification of acceptance or rejection of submitted regular abstracts will be sent to the corresponding author after **1st of July, 2010**. Please note that only the corresponding author will receive the email concerning the abstract and is responsible for informing all co-authors of the status of the abstract. Authors whose abstracts have been accepted will receive instructions for the presentation of their abstract.

If an abstract is accepted and the registration fee of the presenting author is not received by July 15, 2010, the abstract will not be published in the abstract book.

Late Breakers

ESID late breaker abstracts can be submitted after June 1, the late breaker abstract deadline is **August 15, 2010**. Late breakers will either be selected for oral presentation or rejected. Late breakers will not be allocated to the poster or abstract-only categories.

CONGRESS INFORMATION

Language

The official language of XIVth Meeting of the European Society for Immunodeficiencies (ESID), XIth Meeting of the International Patient Organization for Primary Immunodeficiencies (IPOPI), IXth Meeting of the International Nursing Group for Immunodeficiencies (INGID) is English.

Invitation Letter

Individuals requiring an official letter of invitation in order to attend the congresses can write to the Organizing Secretariat. Registration is required.

This procedure is designated to assist participants to obtain a visa or permission to attend the meeting and does not apply to registration fees or other expenses.

CME (Continued Medical Education)

Accreditation has been applied for, please find final updated information on the congress website.

Banking and Exchange Facilities

Currency is the Turkish Lira. Foreign money can be changed by banks during working days (09.00- 17.00 Monday - Friday) as well as hotels, exchange offices. Exchange rates are set daily by the Central Bank. All major credit cards are accepted in most of the hotels, restaurants and shops. Automated bank machines are available at many points throughout the city and the airport.

Currency

The Turkish currency is New Turkish Lira. The exchange rate for Turkish Lira as of December 2009 is;

USD 1= TRL 1,50

EUR 1= TRL 2,20

Visa Requirements

Participants are requested to check with the Turkish Consulate in their home country or with their travel agency or at www.mfa.gov.tr for visa requirements. Entry visa to Turkey can also be obtained at Istanbul Atatürk Airport for a number of countries.

Climate and Clothing

At the October daytime temperatures are in the range of 19-22 Celsius.

Restaurants and Turkish Cuisine

There is a wide choice of restaurants in Istanbul offering a broad spectrum ranging from excellent national cuisine to first class international dishes. Traditional Turkish cuisine is famous for its many specialties prepared with fresh vegetables. There are lots of quality restaurants as well as fast-food shops in the vicinity of the hotels reserved for this meeting.

Shopping

One of the most enjoyable parts of a trip to Turkey is shopping for the rich variety of Turkish crafts. Istanbul is a shopping paradise with its Covered Bazaar as well as the modern malls.

Telephones

Pay phones and credit card phones are available at the meeting venue as well as in the city.

Electricity

The electrical power supply in Turkey is 220 volts.

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

Time

Turkey is 2 hours ahead of Greenwich Mean Time (GMT).

Tipping

Although service charge is included in most restaurants, leaving a tip at one's own discretion is appreciated.

Exhibition

Congress participants are invited to visit the exhibition in the foyers of ICEC. The exhibition will be open during the entire congress period.

Speaker Centre

Invited speakers, chairmen and oral abstract presenters must report to the Speaker Centre at least four hours prior to their presentation in order to check and deposit their presentation.

Congress Venue

The Istanbul Convention & Exhibition Centre (ICEC). www.icec.org

Travel Information

The fastest and consequently the least tiring way to get to Turkey is by plane. All major airlines have direct flights to Istanbul.

Transfers

For your transfer requests please fill in the Online Reservation Form. Topkon Congress Services will provide airport transfer service during the congress days. There will be two types of transfer;

- **Shuttle transfer:** The scheduled shuttle transfers will be run during mentioned dates between airport and congress venue. Schedule can be seen at the related part of the [online reservation form](#).

- **Private Transfer:** Private transfers will be provided upon request according to the delegate's needs. Please choose the private transfer section at the related part of the [online reservation form](#). The transfer team will then get in contact with you shortly.

SOCIAL PROGRAMME

Wednesday, October 6th, 2010

Social Event (18:45 - 19:45)

Welcome Reception (20:00 - 23:00)

Free for congress participants and accompanying persons.

Friday, October 8th, 2010

Dinner cruise on Bosphorus (18:00-22:00)

Sail up the Bosphorus, the waterway between Europe and Asia, as far as the Black Sea, passing under the suspension bridges and viewing Ottoman summer palaces, waterside mansions and modern villas which line the European and Asian coasts. Also pass by the 15th century fortress built before Istanbul was conquered by Sultan Mehmet the Conqueror. The panoramic view of Istanbul by the Bosphorus at sunset and during night will be unforgettable. Transportation from the congress venue to the boat will be provided.

25 EUR per person (Nominal participation fee to clarify the number of guests.)

Saturday, October 9th, 2010

Gala Dinner (19:30 - 23:00)

75 EUR per person

Pre-Registration required to clarify the number of guests.

OPTIONAL DAILY TOURS

Treasures of Istanbul

First visit is to the Roman Hippodrome to see the Serpentine Column, the Egyptian Obelisk and then visit St. Sophia, the great Byzantine Basilica built in the 6th century. Proceed to the magnificent Topkapi Palace to see the unique crown jewelry, Chinese porcelain and exquisite displays of clothing, dating back many hundreds of years. Last visit will be to the Covered Bazaar to explore the maze of over 4'000 tiny shops selling leather, copper, carpet, antiques, souvenirs and jewellery.

Note: The Covered Bazaar is closed on Sundays

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

Bosphorus Cruise by Private Boat

Sail up the Bosphorus, the waterway between Europe and Asia, as far as the Black Sea passing under the suspension bridges and viewing Ottoman summer places, waterside mansions and modern villas which line the European and Asian coasts. Also pass by the 15th century fortress built before Istanbul was conquered by Sultan Mehmet the Conqueror. Disembark at a small village near the Black Sea and return to Istanbul by motorcoach.

Byzantine Marvels of Art

Visit the 5th century Byzantine Basilica, St. Sophia Museum which is one of the great architectural marvels of the ancient world; the underground cistern with a storage capacity for 80,000 tons of water for the old city and the Hippodrome, once the chariot race track of the Byzantine and Romans. See the Egyptian Obelisk, the Serpentine Column and the Column of Constantine. The last visit is to the Church of St. Saviour in Chora to see the world famous frescoes and mosaics.

Ottoman Relics

The 17th century Ottoman Blue Mosque is famous for its six minarets and magnificent blue İznik tiles which line its interior. The next visit is to the magnificent Topkapi Palace, housing the richness of 700 years of the Ottoman Empire. Collection of jewels, porcelains, clothing and armory will be seen. Last visit is to the Covered Bazaar to explore the maze of over 4,000 tiny shops selling leather, copper, carpets, antiques, souvenirs and jewelry.

*For more information please visit www.esid2010.org

Cancellation policy for daily tours

Cancellation can be made up to 4 weeks prior to the tour for a full refund. After this date no refund will be provided.

TOPKON CONGRESS SERVICES reserves the right to cancel a tour if the minimum number of 10 participants is not met. Such cancellations are fully refunded.

PRE/POST CONGRESS TOURS: PRE CONGRESS TOUR: CAPPADOCIA

Tour A: Cappadocia
Mystery of the Early Christians
October 3-5, 2010

Some three million years ago, violent volcanic eruptions covered the plateau in this area with tufa, a soft stone comprised of lava, ash and mud. Subsequently, the wind and rain have eroded the brittle rock to form a spectacular surrealistic landscape of rock cones and capped pinnacles, called FAIRY CHIMNEYS, that are painted in colours ranging from warm reds and gold to cool greens and greys. During Byzantine times, Christian chapels and monasteries were hollowed out of the rock, and later these dwellings served as refuge for Christians, persecuted by the Romans.

Day 1: Early departure from Istanbul, flight to Kayseri-Nevşehir and continue to Cappadocia region. Visit the underground, eleven-storied city of Kaymakli, see the extraordinary rock formations at Üçhisar and the charming town of Ürgüp with its fairy chimneys. Lunch will be provided in the area, dinner and accommodation at a local hotel.

Day 2: Visit the rock dwellings, chapels and monasteries of the Göreme Valley, Zelve Valley, villages of Çavusin and Avcılar. Lunch will be provided in the area, dinner and accommodation at a local hotel.

Day 3: Early departure from the hotel and ride to Kayseri-Nevşehir to fly back to Istanbul for connecting Antalya flights.

Rate:

EUR 1,200 - Double Room Rate

EUR 720 - Single Room Rate

Rate is inclusive of:

- 2 nights accommodation in a first class hotel on half-board basis
- 2 lunches en route
- All sightseeing tours with an English speaking guide
- Hotel/airport transfers
- All entrance fees
- Domestic airfare Istanbul/Kayseri/Istanbul
- Service charge and VAT
- Minimum 10 participants.

POST CONGRESS TOUR: EPHESUS

Tour B: Ephesus and Pergamum
Resurrected Cities of the Roman
October 10-12, 2010

Day 1: Early flight from Antalya to Izmir where you visit the Roman Agora, the Archaeological and Ethnographic Museum and Kadifekale (Mt Pagus). Lunch will be provided in a local restaurant in Izmir, dinner and accommodation at a local hotel.

Day 2: Full-day tour to Ephesus to see the extensive ruins including baths, gymnasium, theatres and other monuments which line the marble streets. Also visit the reputed last home of the Virgin Mary, the Basilica of St. John and the Seljuk Museum. Lunch will be provided in a local restaurant in Izmir, dinner and accommodation at a local hotel.

Day 3: Full-day tour to Pergamum, visiting the Acropolis, the famous Altar of Zeus, the precipitous theatre and Asclepium, one of the foremost medical centres of the ancient world. Lunch will be provided in the area. Return to Istanbul.

Rate:

EUR 1,200 - Double Room Rate

EUR 720 - Single Room Rate

Rate is inclusive of:

- Domestic airfare Antalya/Izmir/Istanbul
- 2 nights accommodation at a first class hotel on bed & breakfast basis
- 3 lunches and 2 dinners
- All sightseeing tours with an English speaking guide
- All entrance fees
- Service charge and VAT
- Minimum 10 participants

Cancellation policy for Pre/Post-Congress Tours

Cancellation can be made up to 6 weeks prior to the tour for a full refund. Thereafter no refund can be provided. TOPKON CONGRESS SERVICES reserves the right to cancel a tour if the minimum number of 10 participants has not been reached. Such cancellations are fully refunded.

PRIVATE TOURS WILL BE PROVIDED UPON REQUEST

XIVth Meeting of the European Society for Immunodeficiencies (ESID)

REGISTRATION INFORMATION

All registrations for the congress should be submitted online with “online registration form” via the congress website www.esid2010.org

ESID members have to pay “ESID Membership Fees” for 2010/2011 by filling out the ESID Congress Registration form online. This will be checked for the reduced ESID member registration fee.

If **ESID non-members** pay the ESID membership fee, they become a member of ESID for two years and can benefit from all the rights of the ESID members as reduced congress fee, subscription to the ESID newsletter, access to ESID web pages, etc.

Accompanying persons' registration fee includes passes to the welcoming reception, dinner cruise on Bosphorus, lunches and coffee breaks.

During online registration **ESID juniors** (those who are younger than 30 years of age) have to mark one of the 11 workshop education groups listed in ESID Scientific and Educational days program. Each workshop education group will consist of a maximum of 30 persons. If the selected workshop is not available, the online system will force you to make another selection. If there are any free spots left at the beginning of the meeting, participants other than juniors will be allowed to enter workshop groups.

ISTANBUL (EUROPEAN CAPITAL OF CULTURE AT 2010)

CALENDAR OF EVENTS FOR İSTANBUL 2010 EUROPEAN CAPITAL OF CULTURE

EARTH

January 1st - March 20th The events in winter will be market by tradition and the transformation in traditional arts. The emphasis will be on artistic events assessing the historical heritage of the past with a totally new perspective.

AIR

March 21st - June 21st The events in spring will mark the Air theme with the echo of İstanbul's minarets and bell towers resounding in the sky. İstanbul has hosted and continues to host a dialogue between different religions. The cultural interaction arising from this dialogue will be at the heart of the events during this period.

WATER

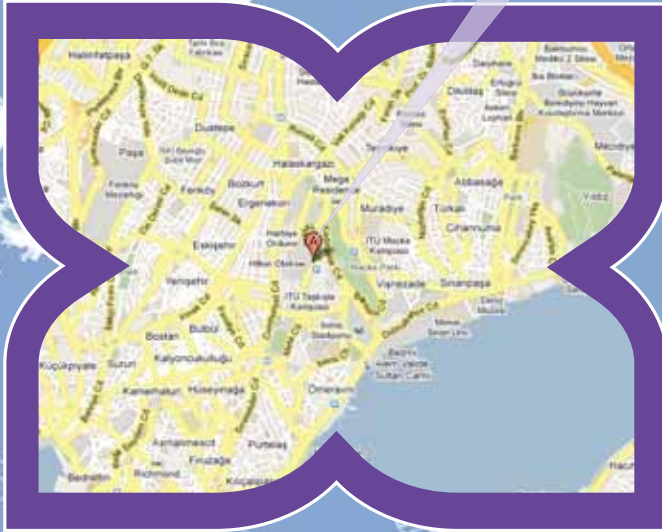

June 22nd - September 22nd The events in summer will emphasize water and the sea as elements which divide and reunify İstanbul, opening the city up to the outside world throughout history. The program during this period will concentrate on cultures transported by water and art inspired by water. The banks of the Golden Horn and the Bosphorus will be the scene of important events.

FIRE

September 23rd - December 31st The main actor during the fall will be fire, the most powerful instrument of change in the universe, capable of transforming water into steam, sand into glass, wood into ashes. This period will involve events centered around contemporary art and the quest for new artistic terrain.
